

Board of a revised schedule for an official groundbreaking in late July or early August to make the event's logistics more favorable. Dr. Boys also referred to a communication that he had sent to all employees regarding the College's implementation of compliance with the Patient Protection and Affordable Care Act. Also highlighted was recognition of Dr. McCall for the Higher Learning Commission's recent Substantive Change A approval allowing the addition of programs at new locations through a much more streamlined process. Dr. Boys reminded the Board of the Accreditation Committee's recent attendance at the Higher Education's annual conference and that the Board could expect some deliberate additions to the Board's agenda to not only comply with standards of accreditation, but to help the College continuously improve.

Dr. Boys provided a summary of HB59 that was recently brought forward from the House Finance and Appropriations Committee. Changes from the budget as originally introduced by the Governor included additional appropriation for bridge funding during the first year of the biennium for colleges losing money in year one of the new SSI funding formula, an additional appropriation for Co-ops and Internships, and the elimination of the College Credit Plus language.

Finally, Dr. Boys informed the Board that he would be attending a Workforce Summit with Senator Rob Portman on Friday, and will be honored to introduce Senator Lamar Alexander next week at the meeting of All Ohio Presidents that Senator Sherrod Brown sponsors.

Dr. Wilson pointed out the fact that the College was being recognized in national meetings, including the table presentation at the Higher Learning Commission meeting.
