SSCC's Associate Degree Nursing program celebrates graduation

Forty-nine graduates of Southern State Community College's Associate Degree Nursing program were recognized during May 9 pinning ceremony at the college's Central Campus in Hillsboro.

Graduate Lisa Brown opened the evening ceremony with the welcome and introductions

"We're proud—and grateful—for the career field you have chosen," said Dr. Kevin Boys, SSCC President, who welcomed the guests and congratulated the students on their accomplishments in the nursing program.

Dr. Julianne Krebs, director of Southern State's nursing program, introduced the college's nursing faculty and staff. "Join us in the excitement and joy as we celebrate the passage of these graduates into the nursing practice," said Dr. Krebs.

During the pinning of graduates, friends and family members of nursing students were welcomed to join their loved ones on stage and present the graduates with the Associate Degree Nursing graduate pin.

Graduate Katy Jones led the lighting of the candle while the ADN graduates recited the Florence Nightingale Pledge. Closing remarks were delivered by Dr. Boys.
