Founded in 1918, PTK honors academic achievement in two-year colleges. To be considered for membership, a student needs to maintain a minimum 3.5 cumulative grade point average and complete at least 12 semester credit hours of coursework that may be applied to an associate degree.

The local chapter, Alpha Omicron Eta, is one of nearly 1,000 chapters in two-year colleges around the world. Membership in PTK—like its parallel for four-year colleges, Phi Beta Kappa— increases scholarship and job opportunities in local, national, and international college programs.
